# UNIQUE AND CHALLENGING PROGRAMS FOR BRIGHT AND TALENTED YOUTH IN GRADES PREK - 12!

The Center for Gifted seeks out talented and gifted students, including those who have not yet proven themselves. What they have shown is a 'spark' of giftedness, a 'spark' of curiosity, a 'spark' of motivation to learn, or a 'spark' of creativity. The Center provides an environment that ignites those sparks and nurtures these students' abilities through its hands-on approach to learning.

Ideal candidates typically evidence many of the following talents and gifts:

- Express curiosity and creativity
- Enjoy challenges
- Ask thoughtful questions
- Have unique problem-solving abilities
- Are keenly observant
- Have well-developed imaginations
- Demonstrate talent in art, music, writing, or drama
- Act independently and with initiative
- Have extensive vocabularies
- Use complex language skills
- Discuss and elaborate on ideas
- Use learned information in new contexts
- Show ability to place objects in logical sequence
- Enjoy reading
- Create and tell stories
- Exhibit wit and humor
- Have sustained attention spans
- Have good memories
