August, 2007

Dear Kindergarten Children and Parents,

Our first day of school is coming soon! We hope you're as excited as we are to get started on a year of wonderful learning. We will be doing a lot of fun new things together. Will you be ready to try your best? Please bring the following supplies to school on August 23rd, when you and your parents come to meet your teacher. Put your name on your backpack, folders, gym shoes, and towel. The other things will be shared as classroom materials. We're looking forward to meeting and getting to know you. See you in a few weeks.

KINDERGARTEN SUPPLY LIST
