Dear Third Grade Students and Parents,

Welcome to Third Grade! It is going to be a wonderful year, and we can't wait to meet you. We will be exploring and learning many exciting things as we work together with both old and new friends. As you know, learning is fun, but it's also hard work! So be ready for a challenge and a lot of exciting new discoveries!

You will need the classroom supplies listed below. Please do not bring any additional supplies or items to school because your desk space is very limited. Before the first day of school, be sure to put your name on all supplies so nothing gets lost. Finally, please do not bring Trapper Keepers or 3-ring binders because they take up too much space.
