October 2007

Dear Parents/Guardian,

School safety continues to be a priority in District 161. As part of our safety plan the District and each of the five schools has developed a Crisis Management Plan. As part of the crisis plan, there will be emergency drills scheduled at each of the five schools in October. These emergency drills are referred to as code yellow drills, which are scheduled so that our staff and students will be prepared in the event of an emergency situation.

Please assure your child the code yellow drill is not cause for alarm but is being practiced in the same manner they practice fire drills. Flossmoor Hills School will be conducting a code yellow drill on October 30 at 9:15 a.m.

Please call me should you have any questions regarding the code yellow drill.

Sincerely,

Karen Brown  
Principal
