

June 15, 2010

Andrew Bauer, fifth grade teacher at Western Avenue School in Flossmoor School District 161, will travel with Volunteer Uganda to remote locations in Africa from June 14 to July 14.

Volunteer Uganda supports a group of charities helping people in rural Uganda to create sustainable education and development.

His team will be traveling to two different schools in and around the countryside of Africa. He will update his blog, Mr.Bauerinuganda.blogspot, with pictures of both schools, and share his experience in Uganda.

Andrew has been with Missionary teams of Uganda Global Family Rescue traveling to Africa in 2006 and 2008, providing aid to children and families in third world environments by helping to build schools, houses, and orphanages.
