

May 12, 2010

Students, families and friends of Heather Hill School in Flossmoor School District 161 recently participated in a Spring fundraiser “Hike for Heather Hill: Family Walk-a-Thon” an event sponsored by the school’s Parent Teacher Organization. (PTO)

The three-mile walk through the Heather Hill subdivision began at the school, 1439 Lawrence Crescent. Volunteer parents and staff members supervised the students and managed check-point stations along the route.

The students raised money to purchase Smartboards and other technological improvements for the school.

Following the Walk-a-Thon, the students and their families enjoyed the “Taste of Heather Hill,” a multicultural festival of international and family favorite foods, prepared and donated by volunteers of the Heather Hill School community.
