

**March 18, 2011**

**FOR IMMEDIATE RELEASE – For further information please contact Dr. Susan Pingitore, Associate Superintendent, at 708-647-7032.**

**The 2011 Flossmoor School District 161 14th Annual Science Fest was held Saturday, March 12, at Parker Junior High School.**

**Coordinators of the Science Fest were faculty members Karen Cramer, Karen Legreid, Kate Raddatz, and Sandy Thompson.**

**The Science Fest provides a valuable extra-curricular learning opportunity for the “student scientists” in Flossmoor District 161. Each student gave a presentation explaining his or her experimental project. Parent volunteers informally judged each project in the areas of scientific worth, originality, reliability, and effectiveness of presentation.**
