

Press Release – Issued December 11, 2007

The Western Avenue School fifth grade choir will spend the morning of December 11 performing at three assisted living communities in the area.

Under the direction of Ms. Valerie Woods, the students from the Flossmoor school will entertain residents of Arden Courts, Waterford, and The Park, with selections from their fall concert along with holiday music.

This activity helps to reinforce the CHARACTER COUNTS! pillar of CARING, which is the school's focus for the months of December and January.

Western Avenue School is one of five schools in Flossmoor School District 161.
